

Our Mission

The mission of the United Irish Cultural Center (UICC) of San Francisco is to celebrate and promote the rich culture and heritage of the collective local, regional and national culture of Ireland for future generations to enjoy and conserve.

We foster cultural awareness through education, arts and social events and chronicle the valued historical contributions of dedicated Irish in the San Francisco Bay Area.

The UICC is a permanently chartered 501(c)3 non-profit organization that relies on private, corporate and grant support.

Our Vision

The United Irish Cultural Center will serve as a focal point for the expression of Irish culture through a variety of activities, events and programs, which promote and showcase Irish culture in the San Francisco Bay Area.

We aim to cultivate and expand the cultural bonds of Ireland with the west coast of the United States through gatherings, and festivals and by promoting cultural programming such as music, theater, literature and language. The UICC will do this through facilitating and collaborating with other Irish related organizations, individual artists and performers, and educational and cultural institutions.
