

Arts and Culture

We invite you to join our campaign to redevelop the United Irish Cultural Center (UICC) as a permanent home for the development, presentation, and celebration of Irish arts and culture in the San Francisco Bay Area.

The new Irish Center will serve as a vibrant hub for the local and global Irish community, intimately woven into the cultural fabric of the diverse San Francisco Bay Area. The UICC will provide a platform for established and emerging artists, showcasing excellent work and inspiring new collaborations all throughout the western US and beyond. This reimagined UICC will dramatically enhance our opportunities for artistic, educational and youth programming, and provide a welcoming, inclusive setting for the celebration of the excellence of Irish arts, unleashing the potential of artists and our growing organization.
